

Corporate Matching Programs

The companies listed below offer “Corporate Matching Donation Programs” that encourage their employees to make philanthropic gifts to charities. They will match contributions made to charities by their current and past employees, board members, directors as well as spouses, widows and widowers. If your employer is not listed, please check with your human resources department as they may also have a corporate matching donation policy in place.

It’s easy. If your company is on the list below, contact your corporate donations officer or human resources department for a matching gift application form. Fill in the form according to your company's policies, return it to the appropriate division and forward your donation to Distress Centre Calgary.
